ASSORTED NUTS FROM ROCKET J. SQUIRREL

—ROCKY ENTRIKEN

It's time for a road trip! To suburban Yoder for the second round of the Sunflower Solo Showdown.

Only three of us went to the first round, but Independence is a long way away, 3½ hours from Salina. Not that many went from host Kansas Region and Wichita Region either, but Yoder south of Hutchinson is a lot closer. Only an hour from Salina (look up Road Yoder on Google Maps to get directions). It's always fun to run other regions' events and see different ways to play this sport.

Despite only three drivers flying the Salina Region flag – all in the same class! – we came away with a slim lead. See Page 4 for the scores. Co support your team and go score some points for Salina.

We can't use our Berkley Family Recreation Area site in late July because that's when the LeadSled Spectacular comes to town, including its stoplight drags for which the city puts up walls of Jersey barriers. The setup and teardown takes a couple of weeks. We've tried autocrossing with those barriers up but it presents a safety conundrum that severely limits course design. Happily, Wichita Region's Sunflower event neatly fills that hole in our schedule. All the Sunflower rounds also score in the Salina Region championship. And then the final round is here in Salina Aug. 11.

Also, Aug 3-4 is the final round of the MiDiv Solo Series at Lincoln, NE. A driver must compete at two events (even if

only one day) to qualify for awards. You can find current point standings at www.midiv.org. If you ran Salina's Divisional series event in June, check the list to see if you might be in contention for a top-3 award-winning finish. We have drivers in a dozen classes who could win awards with a couple of finishes in Lincoln. Also a 3½ hour trip but it's a 2-day event, usually using last year's Nationals courses. If you need to, you can enter just one day. There are several Choice Hotels handy to the Lincoln Airpark – SCCA has a discount deal with Choice hotels (www.choicehotels.com), the ID code is 00802155.

And then comes Nationals on Labor Day week, Sept. 3-6, they've already oversubscribed the 1300 entry cap, which was hit within three hours after open entry happened June 25, and that doesn't count the waitlist. SCCA hasn't updated the waitlist since June 26 (24 names on it have already been accepted), but last year about 180 waitlisters still got in. So put in an entry and see what happens. Our current National Champion, Theresa Walton, who won ESL last year, is taking on the open E Street class this year.

We're seeing the need to replace our aging equipment trailer. It's almost as old as the region is and we're in our 35th year. The board decided to set up a separate bank account for a trailer fund. Artt Mann cooked up barbecue pork and pork bellies for lunch at the Mirror Khana and donated his profit to the trailer fund. He plans do the food again at Octoberfast and Solo Chair Phelan Gagnon quickly figured out how to do the MotorsportsReg listing to include an option to add the lunch to the pre-entry for those who would like to partake in Chef Mann's culinary art..

See you in Yoder next Sunday, and back at our BFRA site in August!

SUNFLOWER SOLO SHOWDOWN 24.1

The first round of this year's Sunflower Solo Showdown was run in Independence, KS. It was a joint effort by Kansas and Wichita Regions but counted as the Kansas Region event of the series since Independence is in their geographic territory. The Sunday competition of a two-day event counted for the Showdown.

The site, an apron of the Independence-Freedom Airport, is a sizeable square of concrete on which a course of 45-55 sec was created. As it did two months earlier for the Divisional Championship event there, Independence displayed its hospitality with an edition of its monthly downtown car show at which several SCCA solo cars were on view.

Independence, however, is a 3½ hour drive (210 mi) from Salina. Although it's within the Kansas Region territory, it's actually closer to Wichita (120 mi) than to Topeka (140 mi), and the closest major city is Tulsa (80 mi)! As a result the entry was small, 28 cars, of which 21 were scoring for the three Sunflower Regions.

Salina Region had just three entries, all three running in E Street and covered by a 2.2 sec PAX spread. That tight competition was enough to give the Salina contingent the scoring lead with two Showdown events to go in Yoder and Salina.

Pax Rolfe, up from NeOkla Region, scored FTD, running 43.969 to win STR. Second-quick was Wichita's Jim Monroe, the DS winner just 0.638 slower but eclipsing Rolfe by 0.443 sec on the PAX chart.

Third-quick was ES winner Theresa Walton leading the Salina contingent and just 0.584 ahead of husband Mark.

Intermittent lightning forced a stoppage three times. It limited the competition to three runs. The closest contest was for the HS win, Kansas Region's Brian Harmer and Dana Christian from Kansas City never more than 0.2 sec apart after each run. After both coned their final shot, Harmer had a 0.080 sec victory.

••• JOIN the Sports Car Club of America •••

IT'S EASY. GO TO www.scca.com AND CLICK ON JOIN SCCA TODAY!

National membership includes a "local" region of your choice. This becomes your Region of Record. Normally your RoR is the area in which you live, but it doesn't have to be. We have members who live in other Regions' territories, and some of those regions have members who live in our territory.

You may also join as many other regions as you like, paying their local dues for the purpose of winning local championship points and participating in their programs. These are "Associate" or "Dual Region" memberships. Salina Region's Associate Members are fully-vested members eligible for all our championships, voting rights, region offices and other member benefits. "Associate" membership only means region-of-record is elsewhere.

You must be a member to enter SCCA events. There are several different types of membership available, including Regular, Family, First Gear (under 25) and Military, plus short-term Trial (free) and Weekend (\$15) Memberships. Questions? Call Salina Region membership chair Rocky Entriiken at 785-827-5143 or e-mail rocky@spitfire4.com.

••• Associate memberships •••

- Associate Memberships in Salina Region expire concurrent with National and Region-of-Record memberships. Any Associate memberships paid direct to Salina Region are notified to SCCA Membership and expire on their National expiration date. Associate members are fully-vested members of Salina Region, although their Region-of-Record is elsewhere.
- Annual dues are \$15.00 both for single memberships and for family memberships (which includes spouse and children age 20 and younger).
- To become an Associate Member of Salina Region, contact SCCA Membership (call 1-800-770-2055) and ask to be included as a member in Salina Region. The Region's dues will be paid at that time and added to your renewal fees.
- Or, at renewal time, renew online and you will find an option to "Add Region." Scroll down to find Salina Region in the drop-down menu.
- If you choose to pay dues direct to Salina Region (for example, at an event), we will notify SCCA and your Salina Region membership will become part of your National membership renewal.
- Mailed subscriptions are available to non-members, \$15 for the calendar year.
