Regional Executive Views

Maybe we don't notice progress because we're always raising the bar. Sometimes we have to remember that a little bit goes a long way. Lots of little upgrades and changes this season that are behind the scenes but makes a huge difference on event days.

If you made it out to the first event weekend for Saturday's Test 'n Tune or Sunday's first Solo (or both) you might have felt like the run groups went without a hitch. We have a brand new computer as well as a fresh bespoke copy of our timing system. Which results in a smoother and less problematic event. If you see Chandler Brown, driver of the silver Lotus Elise, tell him thank you for giving his time to set up the new computer and timing. Oh yeah, our live timing is now also on his server which we all know and love to have. From myself and I am sure every driver who comes to Salina events, thank you Chandler.

Going back to the first event, I was happy to volunteer to chair and create the first courses of the season. If I remember right, about two years ago I had designed a course with a turnaround that had just a single cone. A nice brand new single cone at that. It was designed like that because we did not have that many course workers to cover the turnaround so less was more. Asking the

drivers, everyone seemed to have liked it because as a driver you had to make the decision instead of the course designer making it for you.

Forward to this past event we had the same situation with minimal course workers, so a single cone turnaround it was. Now with it being offset made it even more interesting on how to attack it. What a great fun time for everyone and it is always nice to have something different.

If you have never designed a course but would like to try one, please reach out and we will be more than glad to help. There are still a events this year that need course designers, who are usually also the event chair. Not a big job, really, but it does get you more involved. SCCA is talking about licensing course designers, which only means they will look at a page on SCCA's website that will cover aspects of good design.

Back to reality, during the off-season I could not find another vehicle worth anything to finally retire the All-Trac. My son is back into baseball so I might be missing a few events this year.

Time to register for next month's April doubleheader. Registration is up and is always a fun course. Or, if you want to get better at this game, sign up for the Evolution schools – even if only for Friday's Phase One. See item, on Page 5. Then use your newfound skills in the weekend's autocrosses.

Thanks for reading and until next time.

—Andlee, RE Salina Region.

A Salina Divisional (if held) and Solo Nationals (Sep. 1-5, 2025) also score in Salina Region's Championship, with bonus points. Lowest four scores are thrown out, five if we do a Divisional

MiDiv

SPS/R&S MiDiv Solo Series – 2024

May 3-4 – Wichita @ Yoder KS (Road Yoder)

June 8-9 – Salina @ Salina (Berkley Family Rec Area)

June 28-29 – NeOkla @ Muskogee (Davis Field)

Aug 2-3 – Nebraska @ Lincoln (Lincoln Airpark)

Sep 20-21 – Kansas @ Independence KS (Independence Airport)

SCCA Solo Nationals ~ Sep. 1-5, 2025 ~ Lincoln, NE

MEETING MINUTES

(Subject to correction and approval at the next Salina Region board meeting)

Meeting called to order by RE Andlee Phengphachanh at 1:32 p.m. March 16 at Moka's.

Board members attending: Chandler Brown, Rocky Entriken, Phelan Gagnon, Mason Libby, Artt Mann, Abner Perney, Nancy & Dennis Smith. Also attending, Geoff Leazer, Haley Terrill.

Minutes: Abner moved to approve as submitted. Artt seconded. Passed with no opposition.

Treasurers Report: Dennis moved to table treasurers report since Sharon wasn't present. Andlee to send email with treasurers report at later date for approval. This was done on Monday March 17. Discussion that trailer fund balance is still not available on-line. Andlee to follow up on that. Artt moved to approve treasurers report as provided. Chandler seconded. Passed with no opposition.

New business: Sunflower Showdown: date locked in for August 17.

- Cones: Rocky moved to purchase a few sample cones with ultimate goal of ordering 80 (~\$8.00 each), Dennis seconded. *Addendum: After the meeting, we received an email from Wichita Region with a potential option to buy 200 cones @ \$5.00. Currently following up on that option.

- Mirror Khana: Scheduled for June 29. Dennis will chair.

- Safety Stewards: Phelan completed SSS training. Mason next on list. Geoff will shadow in a few events down the road.

- New computer: Working well with timing and registration. A few mounting details to complete.

- Banquet: The Garage was good location. Food was good despite some last minute issues.

- First event review: Several issues with people registering incorrectly, a handful of no-shows, and some (very) late entries. Need to remind people that registration ends at 9:00. Saturday was a long day (two test courses) but enjoyable. Had some guests and a couple of new participants. Courses (all 3 of them) were a lot of fun. Kudo's to Andlee and helpers.

- Abner has some solar battery chargers that could be used to keep trailer batteries charged.

- Question on "bonus" points in the Salina Region championship at the MiDiv Championship event. Most people don't understand the extra points, and consequently may not have the added draw for contestants that we would like to see. Championship rules, including points, are online in region website. Rocky also has an article in March newsletter (page 4)

- Justin Gagna is our trailer wrangler and is doing a good job. However, he has not been racing lately, and policy is that trailer wrangler gets free event entry. Discussion that perhaps we should give him some compensation (gas money). Chandler moved to pay him \$100 cash for last year. Mason seconded. Approved.

- Dennis moved to adjourn at 2:24 p.m.. Artt seconded.

Submitted: Chandler Brown, Secretary

LONE CONE

So you hammer through the opening slalom, hook around a single eyebrow and through the bridge, and then another fast slalom, a hard jink right, more slalom by the water tower, and then there it was, way off to the left, all by itself ... the Lone Cone.

For our annual Test 'n Tune opening weekend, Regional Exec Andlee Phengphachanh designed three (count 'em, *three!*) courses. Saturday he gave us a very technical morning course, then in an afternoon session he removed the technical aspects and stretched it to a more flowing design. Then for Sunday he ran it even further south to that Lone Cone, long enough some cars hit their rev limiters.

In an unusual entry, only 13 drivers ran both days, taking advantage of the free day Saturday. Another 11 ran only the test day while eight only did Sunday's solo. A number of drivers and ride-alongs came from distance -- four from Nebraska plus individuals from Missouri, North and South Dakota, Michigan and Ontario, Canada!

Riley Heaton from Nebraska, current national champion in the Street Touring Sport class (now E Street Touring), claimed both FTD and Top PAX in a DST Scion.

The closest contest of the day was for Fast Lady honors between ESL winner Sharon Brillhart and SSCL winner Marcia Haynes. Sharon ran in the first heat, posting her best 53.861 on her fourth run. Marcia, from Nebraska, was in the second heat, going quicker on each of her six runs to finish at 54.333, just 0.472 sec behind Sharon.

The closest contest for class honors, and the only class decided by less than one second, was in BST (the Beast class?) between the two loudest cars on the site -- Andlee Phengphachanh's AllTrac and an Audi S5 in the hands of Andrew Burns from Ft. Riley. Andlee was quicker on first runs but a cone left Andrew a half-sec ahead. Second runs saw both down to 54 sec, Andrew a quarter-sec ahead. Third runs decided the match, Andlee going 53.724 and Andrew at 54.483 -- 0.759 sec apart. Andrew could never find a quicker time while Andlee coned his last three runs.

How does the Salina Region championship work?

At recent Salina Region board meetings, the question was raised of how the region's season championship works. So it was requested that an explanation be written for The Write Line.

First of all, the rules are online at www.salinasca.org. In the drop-down menu under the heading SALINA REGION SCCA, click "Rules and Regulations." Go to the Operations Manual and on Page 2 there's the series rules. But we'll review one aspect here.

What seemed to cause the confusion was the part about "bonus points" at our Divisional Championship event (if we hold one) and at Nationals. The bonus points are there to encourage our members to compete in those events.

We do encourage our members to compete in Midwest Division's Solo Series, in which up to six MiDiv Regions may conduct a championship weekend (each is two events) during the season. But the bonus points are scored *only* in OUR Divisional, not at anybody else's. We don't get to hold one (or even decide to bid to hold one) every year.

We also changed the rule, just last year, about qualifying for OUR championship, which requires a driver to compete at a minimum of four *local* events. Previously a Divisional was not included in that count, confusing since it was held in Salina, was it not? Okay, fixed that. But a Divisional anywhere else does not score in Salina Region's championship (Wichita, Nebraska, Northeast Oklahoma and Kansas Regions are also doing Divisionals this year), nor do they offer bonus points.

OUR Divisional is June 7-8. Save the dates! But it is *still* a local event scoring in our local championship! And each day is a

separate event in our regional championship. Yes, you can enter just one day if you choose. But since there may be drivers coming from distant regions chasing MiDiv points, we give our drivers a bonus: One point for every driver you beat in the two-day total, up to a maximum of 10.

At a Divisional you are actually competing in two championships at the same time. There's the Divisional (winners get 15 points), and there's our Regional (winners get 12 points). Your name shows up on both points lists.

FYI, if you're interested, you qualify for the Divisional series by competing in at least two weekends, even if only one day of the weekend. It's worth a trip to Yoder to do Wichita's Divisional May 3-4. And then our own Divisional a month later qualifies you. And if you're in contention (points and rules are posted on www.midiv.org), hit Nebraska's Divisional in August.

Bonus points can also be scored at SCCA's Solo Nationals, held each year in September at Lincoln, NE. Again, we want to encourage our members to compete at Nationals. Don't think you're "not good enough." Sure, you may place 25th in a 40-car class, but you've still won the maximum 10 bonus points, plus the 1 point for all positions below 10th (total 11 points), plus having a great time being part of SCCA's premier autocross event just three hours away.

There's a saying that applies to every competitive sport -- to get better you need to compete with the best. The way to do that is to get out of town and meet drivers from other parts of the country. And of course, it's all #FunWithCars!

For most of the season all competitors are listed. However, only Salina Region members are eligible for championship awards and must be members before Octoberfast and run at least four local events. As of Octoberfast all non-member points are stripped.

Students Wanted: No Experience Necessary

It is only a month until our annual Evolution schools – April 11-12-13. If your goal is to become a better autocross driver, this is the place to start.

Salina Region is about the only place in the country that offers Evo Schools at three levels in a single weekend. You can take just one school, two, or all three, but must do them in sequence.

Instructors are top caliber autocross drivers, many of whom have national championships under their belt. Instruction is one-on-one. When it's your turn in the car, you have your instructor's undivided attention. Instructors use a specific curriculum to introduce proven techniques for students to find autocross speed and quick times. There is a lot more to it than the right foot!

April 11, Friday, is Phase One. This is the basics, good for beginners but also for more experienced drivers needing a refresher or just a session to break bad habits.

April 12, Saturday, is Phase Two. The advanced session, using different techniques to find those last few tenths.

April 13, Sunday, is the Challenge School. New drills on a larger course to emphasize those skills learned in P1 and P2. Then the day ends with a showdown between you and your instructor – the Challenge!

Registration is on MotorsportsReg.com. Look for “Evolution Weekend with Salina Region SCCA.” Single Day Pricing for each of the Evolution programs is set at \$300, but there are discounts for those enrolling in multiple days.

* * *

Salina Region also puts on two autocrosses April 12-13. If you do just one or two of the Evo Schools, put your newfound skills to work the next day on courses at the south end of our site. Registration is open separately at MotorsportsReg.com.

1989	Abner Perney (Salina Chapter President)						
	ALSO: Divisional England-Stipe Award (MiDiv's top honor) – Rocky Entri-						
1988	Bill Pemberton (Salina Chapter President)						

“To be fair, racing drivers generally glide along [the open road] at what feels, at least to them, like a gentle, smooth, relaxed and socially responsible sort of pace. But it nonetheless tends to startle, amaze and infuriate drivers of other cars, and regularly causes everyone inside the vehicle to clench their teeth, clutch for something solid to hang onto and recall prayers learned in childhood. Rapidly closing, motorbike-sized holes in traffic look like wide-open freeway ramps to your average racing driver, and riding with them takes a little getting used to. In the end, all you can really do is trust the fact that they’ve somehow gotten to this point in their lives and hope that their apparent run of uncommon good fortune continues.” —Burt Levy

••• JOIN the Sports Car Club of America •••

It's EASY. Go to www.scca.com AND CLICK ON JOIN SCCA TODAY!

National membership includes a "local" region of your choice. This becomes your Region of Record. Normally your RoR is the area in which you live, but it doesn't have to be. We have members who live in other Regions' territories, and some of those regions have members who live in our territory.

You may also join as many other regions as you like, paying their local dues for the purpose of winning local championship points and participating in their programs. These are "Associate" or "Dual Region" memberships. Salina Region's Associate Members are fully-vested members eligible for all our championships, voting rights, region offices and other member benefits. "Associate" membership only means region-of-record is elsewhere.

You must be a member to enter SCCA events. There are several different types of membership available, including Regular, Family, First Gear (under 25) and Military, plus short-term Trial (free) and Weekend (\$15) Memberships. Questions? Call Salina Region membership chair Rocky Entriiken at 785-827-5143 or e-mail rocky@spitfire4.com.

••• Associate memberships •••

- Associate Memberships in Salina Region expire concurrent with National and Region-of-Record memberships. All Associate memberships paid direct to Salina Region are notified to SCCA Membership and expire on their National expiration date. Associate members are fully-vested members of Salina Region, although their Region-of-Record is elsewhere.
- Annual dues are \$15.00 both for single memberships and for family memberships (which includes spouse and children age 20 and younger).
- To become an Associate Member of Salina Region, contact SCCA Membership (call 1-800-770-2055) and ask to be included as a member in Salina Region. The Region's dues will be paid at that time and added to your renewal fees.
- Or, at renewal time, renew online and you will find an option to "Add Region." Scroll down to find Salina Region in the drop-down menu.
- If you choose to pay dues direct to Salina Region (for example, at an event), we will notify SCCA and your Salina Region membership will become part of your National membership renewal.
- Mailed subscriptions are available to non-members, \$15 for the calendar year.

E-mail or U.S. Mail?

If you received the e-mail version but would prefer to receive *The Write Line* by mail, just send a message to the editor (rocky@spitfire4.com, or 2731 Scott, Salina Ks. 67401) and we'll keep you on the snail-mail list. Likewise, if we sent you the mailed version but the e-mail copy (in color!) would better meet your preferences, just say so.
