ASSORTED NUTS FROM ROCKET J. SQUIRREL

—ROCKY ENTRIKEN

We're halfway through the season and there's a lot of excitement yet to come!

We pulled off another Divisional Championship event this month, using an upgraded timing system, new computers, an inventory of shiny new cones (we'd prefer you whack the grungy ones!), 60-second courses by Assistant RE Mason Libby that reached all the way to the far end of the runway. Could've wished for a few more entries but we gave everyone six runs each day.

The back half of our season begins at the end of June with Mirror Khana XLIII. That's an event you don't want to miss. Smack cones without penalty (to a point). No clocks – all you gotta beat is that one other car on the other side of the runway. Everyone gets at least four runs, more if you win matches. It's an adrenaline rush. More information on Page 6.

Then comes July, when we can't schedule events at the BFRA because the LeadSled thing comes to town, so we decamp to Yoder on July 27 for the first round of the Sunflower Solo Showdown against Wichita Region. It's only an hour south just past Hutchinson. Their Road Yoder site is much like ours, a former airfield runway,

perhaps a little bit wider. (Wichita is also doing a Saturday event if you feel like a doubleheader)

We won the Showdown the past two years so let's go for the three-peat! The drive to Yoder isn't much farther than many Salina Region members do to get to Salina, especially those who live south of our city.

August 17 is our turn in the barrel as Wichita comes here to wreak their Sunflower Solo Showdown revenge – but all in good fun and enjoyable camaraderie.

September brings the Solo Nationals. Open registration just began on Tuesday and there's already more than 1250 entries! The entry cap is 1400, 700 on Tuesday-Wednesday and 700 again on Thursday-Friday. If you run Nationals you get points in the Salina Region championship, plus bonus points for drivers you beat.

And the weekend right after, Sept. 6-7, we're doing a doubleheader hoping a few homeward bound Nationals drivers might stop by to enjoy our concrete. Each day is a separate points event.

We finish the year off with Octoberfast 36 on Oct. 12 – the annual event with the sorta-kind of same course that was first designed in 1990. And then the season finale Nov. 2, the day we go back to Central Standard Time. You get an extra hour of sleep before the event.

The calendar is on Page 2, as always. Registration is open on MotorsportsReg.com for all the Salina Region events except November, which will be added soon.

So mark your calendar, air up your tires and plan ahead for the last half of the year. *It's race day!*

MEETING MINUTES

(Subject to correction and approval at the next Salina Region board meeting)

Call to Order – By RE Andlee Phengphachanh via Zoom @ 7:05 p.m. June 12, 2025. Also attending: Sharon Brillhart, Chandler Brown, Rocky Enriken, Phelan Gagnon, Mason Libby, Artt Mann, Dennis and Nancy Smith.

Minutes – Dennis moved to approve minutes as written. Artt seconded. Passed.

Treasurers Report – Artt moved to approve as amended. Chandler seconded. Passed. Purchase of 100 new pylons noted.

Old Business

- Cones update – Nice to have shiny cones that stand up.
- A copy of the run audit form is now stored on the laptop and desktop computers.
- Solar charger on dolly stand – Phelan to work on fabrication.
- UPS backup (Uninterrupted Power Supply) for computer – Chandler purchased one, installed it Saturday. Worked great.

New Business

- MiDiv Solo Championship event – Kudos to Mason for working around personal events. Driver feedback: Some grumbling about the tight courses but overall it was a good event. Timing worked great.
- Mirror Khana preparation – Dennis is chair, asked Rocky to prepare the brackets. Artt is planning to BBQ!

Open Forum

- It was mentioned the Divisional event is supposed to have a backup timing system available. Dennis said we still have our “old” timing system. It gets used for our annual Evolution School. The analog readout usually set up beside the trailer is part of it. Dennis said he should show some others how to operate it.

Next meeting – 7 p.m. July 17 via Zoom

Meeting adjourned 8:02 p.m.

Submitted – Chandler Brown, Secretary

Midwest Division Solo Series

Salina Region was host for Rounds 3 and 4 of the Midwest Division Solo Series, with drivers from Wichita, Kansas, Kansas City, Ozark Mountain, NeOkla and one claiming Mid-South Region (Memphis) although that's Doug Gill who lives in Topeka now and is a frequent visitor.

Mason Libby set up a busy and challenging course for Saturday, then ran it the opposite direction on Sunday with some minor changes. Six runs each day.

One oddity is that not a single class, either day, was decided by less than one second. Saturday's closest match was B Street Prepared between Steven Allen's BMW M3 from Wichita Region and our own Andlee Phengphachanh's Toyota AllTrac, decided by 1.040 sec. Both of them did their best times on their fourth runs. Next-closest was H Street, Dennis Smith 1.414 sec quicker than Don Herrick.

Sunday's closest match was C Street, a father-son Dunham family duel in a Honda S2000 from Kansas Region. Dad Greg was 1.889 sec quicker than 16-year-old Hank. Second-closest on Sunday was BSP again, but this time Andlee was the victor by 1.955 sec over Preston Evans of Kansas City Region in an M3

Largest class was E Street, an all-Miata showdown of seven cars on Saturday and eight on Sunday but dominated both days by Matthew Eaton, NeOkla Region, who posted a 2.5 sec victory margin on Saturday and 1.8 sec on Sunday. Second/third were Zachary Nusbaum and Nathan Jones-Walker from Kansas City Region sharing a car – Zach quicker on Saturday, Nate quicker on Sunday.

Points for both the Divisional Championship and the Salina Region Championship scored each day as a separate event. This permits people who can only make one day to participate. And while Salina Region awards were given each day, the Divisional awards are based on two-day times. Which is how Andlee ended up winning the weekend in BST. In the big ES class, Matthew Eaton easily took first by a 5-sec margin, while Nusbaum outran his co-driver by a 10th of a sec.

FTD on Saturday fell to XB winner Heath Helmick from KC Region, 56.318, and on Sunday to CAMT winner Opie Viets, Ozark Mountain Region, at 60.775. Fast Lady was ESL winner Sharon Brillhart both days in her MR2. Top PAX went to GS winner Ron Williams on Saturday, ES winner Matthew Eaton on Sunday.

The weekend was also notable for pylons – the nice shiny new ones the region had just acquired, and the fact only one person each day managed to get through without killing any (or taking a DNF). CST winner Luke Scott from Wichita on Saturday, HSL winner Nancy Smith on Sunday.

Divisional points are posted on the Midwest Division website – www.midiv.org. Anyone who has run at least one day of both the Wichita and Salina events (so far) are now qualified for awards with three events yet to go – NeOkla Region at Muskogee June 28-29, Nebraska Region at Lincoln Aug. 2-3, and Kansas Region at Independence, KS Sep. 20-21

Quoth the great Jim Clark, Indianapolis 500 winner, winner of 25 grands prix and twice Formula One World Champion:

"I'm just beginning to wonder if I want to be World Champion. There will be so much fuss and drama. Farming is really my occupation and racing just a hobby, although I make a serious effort at it. Many people depend on it for their livelihood. To them it is a business. To me, a sport."

••• JOIN the Sports Car Club of America •••

It's EASY. Go to www.scca.com AND CLICK ON JOIN SCCA TODAY!

National membership includes a "local" region of your choice. This becomes your Region of Record. Normally your RoR is the area in which you live, but it doesn't have to be. We have members who live in other Regions' territories, and some of those regions have members who live in our territory.

You may also join as many other regions as you like, paying their local dues for the purpose of winning local championship points and participating in their programs. These are "Associate" or "Dual Region" memberships. Salina Region's Associate Members are fully-vested members eligible for all our championships, voting rights, region offices and other member benefits. "Associate" membership only means region-of-record is elsewhere.

You must be a member to enter SCCA events. There are several different types of membership available, including Regular, Family, First Gear (under 25) and Military, plus short-term Trial (free) and Weekend (\$15) Memberships. Questions? Call Salina Region membership chair Rocky Entriiken at 785-827-5143 or e-mail rocky@spitfire4.com.

••• Associate memberships •••

- Associate Memberships in Salina Region expire concurrent with National and Region-of-Record memberships. All Associate memberships paid direct to Salina Region are notified to SCCA Membership and expire on their National expiration date. Associate members are fully-vested members of Salina Region, although their Region-of-Record is elsewhere.
- Annual dues are \$15.00 both for single memberships and for family memberships (which includes spouse and children age 20 and younger).
- To become an Associate Member of Salina Region, contact SCCA Membership (call 1-800-770-2055) and ask to be included as a member in Salina Region. The Region's dues will be paid at that time and added to your renewal fees.
- Or, at renewal time, renew online and you will find an option to "Add Region." Scroll down to find Salina Region in the drop-down menu.
- If you choose to pay dues direct to Salina Region (for example, at an event), we will notify SCCA and your Salina Region membership will become part of your National membership renewal.
- Mailed subscriptions are available to non-members, \$15 for the calendar year.
